ERRATUM:
Historical Network Analysis and Htr tools for a digital
methodological historical approach to the Biscari Archive of
Catania

This erratum regards the following article: Spina, S. 2022. “Historical Network Analysis & Htr Tool. Per un approccio storico metodologico digitale all’archivio Biscari di Catania”. Umanistica Digitale 14, 163-181. <https://doi.org/10.6092/issn.2532-8816/15159>

The correction concerns:

- the addition of the word “Htr” in the title on the web platform;
- the removal of two punctuation marks (a “,” and a “-”) in the second line of the English abstract (p. 163);
- the reversal of two image caption inside figure 5 (p. 169), “La rete al 1624” and “La rete al 1774”.
